Dear Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the document listed on the attached Form PTO/SB/08a, and respectfully request that the listed document be considered by the Examiner and made of record in the above-captioned application. A copy of the foreign reference is enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United

States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

This submission is being filed after a Request for Continued Examination was filed on March 19, 2011 and before a subsequent action on the merits. Thus, Applicants believe that no fee is required for this submission. However, the Commissioner is hereby further authorized to charge any deficiencies and credit any over payments for the submission of this Information Disclosure Statement to the Dorsey & Whitney's Deposit Account 50-2054.

Respectfully submitted,
